## Circle Choice Answer Key

The circled words should be the ones with two syllables:

1. picnic
2. rabbit
3. table
4. window
5. music

### Teacher's Guide

- Model one row first: say each word, clap, then circle the one with two syllables.
- Remind students to read out loud and listen for the beats before circling.
- Support: have students clap or tap twice as they test each word.
- Extension: ask students to add one new two-syllable word at the bottom and draw a circle around it.
