## Slash Syllables Answer Key

Students should show two syllables with a slash:

- basket → bas/ket
- rainbow → rain/bow
- chicken → chick/en
- ticket → tick/et
- tulip → tu/lip
- wagon → wa/gon
- spider → spi/der
- chestnut → chest/nut
- pocket → poc/ket
- planet → plan/et

### Teacher's Guide

- Model one first: say basket, clap twice, then write bas/ket.
- Remind students to say it aloud before drawing the slash.
- Support: tap for each beat, then draw the slash where the break is heard.
- Extension: have students choose one word and write a new sentence with it.
