

Name _____

Say Trace Write Answer Key

All words have two syllables. Students should trace once and write once.

- rocket → roc/ket
- turtle → tur/tle
- basket → bas/ket
- paper → pa/per
- garden → gar/den
- picnic → pic/nic
- window → win/dow
- robot → ro/bot

Teacher's Guide

- Model one: say the word, clap the syllables, trace, then write.
- Encourage students to say each syllable while tracing to connect sound and movement.
- Support: lightly dot the letters for emerging writers to trace more easily.
- Extension: have students read their written words aloud and circle the syllable they hear first.
