Sentence Search Answer Key

Students circle the two-syllable word in each sentence:

1. rabbit
2. robot
3. picnic
4. window
5. garden
6. ladder
7. tiger
8. apple

Teacher's Guide

- Model one: read the sentence aloud, clap, then circle the two-syllable word.
- Remind students to read the whole sentence before choosing.
- Support: have students clap or tap each word they think might have two beats.
- Extension: invite students to make their own short sentence using a new two-syllable word.
