

Name \_\_\_\_\_

## Boxed Syllables Answer Key

Students should separate into two syllables and then rewrite the full word.

- rabbit → rab | bit → rabbit
- music → mu | sic → music
- backpack → back | pack → backpack
- carrot → car | rot → carrot
- muffin → muf | fin → muffin
- robot → ro | bot → robot
- sunrise → sun | rise → sunrise
- jacket → jack | et → jacket

### Teacher's Guide

- Model one example first: say robot, write ro in the first box, bot in the second, then write robot on the line.
- Emphasize hearing syllables before writing. Have students clap or tap if they need support.
- For students who struggle, lightly draw slash marks first: ro / bot, then transfer to boxes.
- Extension: Challenge students to create a new two-syllable word, draw two boxes, and fill them in.
