## Picture Connect Answer Key

All words are two-syllable words. Matches:

1. robot
2. donut
3. turtle
4. ladder
5. pumpkin
6. window

### Teacher's Guide

- Model one: point to a word, say it aloud, clap two times, then draw a line to the picture.
- Remind students to say the chunks as they match, not just guess.
- Support: cover the extra words so students focus on one match at a time.
- Extension: ask students to choose one matched word and write it, then circle the two syllables.
